## **MISSION STATEMENT**

The Sydney College of Divinity is a leading Christian theological provider, offering high quality, accredited awards to equip people for effective professional and lay ministry in a rapidly changing environment.

The Sydney College of Divinity will

- provide high quality, accredited education in theology and related disciplines from undergraduate to postgraduate levels
- encourage theological scholarship and train future theological scholars
- prepare leaders and ministers, both ordained and non-ordained, who are well-qualified to build the Church
- contribute to the public discussion of issues of faith
- encourage a theologically literate membership of the Church.

The Member Institutions of the College commit themselves to sustain a teaching program of excellence in Higher Education, integrating best practice in adult teaching and learning with theological enterprise. They, in their turn, seek to foster self-directed and lifelong learning among their students. This extends to actively encouraging graduates to engage in further study and research, both within the College and in other institutions of higher learning.

## **OUR HISTORY**

The Sydney College of Divinity, through its Member Institutions, has been training theologians and equipping persons for ministry since 1983. Today over 2,300 candidates are proceeding to SCD awards at our 9 Member Institutions. The programs range from a diploma in Theology, through a variety of bachelor and masters coursework awards, to research degrees including separate doctorates in Theology, Ministry and Philosophy. This is a far cry from the first graduation in 1985, where the original six member institutes produced just forty one graduates, all male, and all taking the one single award (the BTh). In contrast, the 2008 graduation saw 340 graduands and the total number of conferrals reach 3,584.

## **ACCREDITATION**

The Sydney College of Divinity is recognised by the Commonwealth Government as a Higher Education Provider and has programs accredited and authorised not only in its home state of New South Wales, but also in Queensland, Tasmania, Victoria and Western Australia.

## STUDY PATHS

Sydney College of Divinity courses and awards are organised in terms of the following two study paths.

### **PATH A: for those who begin their theological studies with an undergraduate theology award**

Path A is structured around the *Bachelor of Theology* as one of the primary undergraduate awards in theology and is a basis for subsequent graduate study to the highest levels. The minimum entry requirement is tertiary matriculation. Students who complete the Bachelor of Theology may move on to the Bachelor of Theology (Honours) or the Master of Arts or the Master of Theology and hence to higher research degrees, the Master of Arts (Honours), the Master of Theology (Honours), the Doctor of Theology, the Doctor of Ministry and the Doctor of Philosophy.

#### **a) Pre-degree Awards**

**Diploma of Theology:** A 2 year full-time, 6 year part-time program of study in theology, biblical studies and related disciplines.

#### **b) Undergraduate Degrees**

**Bachelor of Theology:** A 3 year full-time, 9 year part-time program leading to the primary undergraduate qualification in theology. The Bachelor of Theology is a comprehensive course combining both theological and ministerial studies. In order to ensure coherence of structure and sequencing of units, a student can only obtain the Bachelor of Theology by fulfilling the particular subject area and unit requirements of a Member Institution authorised to offer the award and in which the student is enrolled. This award is available in distance education mode.

**Bachelor of Theology (Honours):** A 1 year full-time, 3 year part-time program for Sydney College of Divinity Bachelor of Theology graduates (or equivalent). The award provides opportunity for preparatory research as a stepping stone to research in

theology at the highest level.

### **c) Postgraduate Degrees**

**Master of Arts:** A 1.5 year full-time, 4.5 year part-time program of studies taken from a designated list of both core and elective units. This award is available in distance education mode.

**Master of Theology:** A 1.5 full-time, 4.5 year part-time program of graduate study in theology and related disciplines for candidates with the Bachelor of Theology or equivalent and who have achieved a level of attainment in an appropriate area/areas of study considered acceptable for the purpose of proceeding to the award. This award is available in distance education mode.

The research awards into which Path A articulates are the Master of Arts (Honours), the Master of Theology (Honours), Doctor of Theology, Doctor of Philosophy, and Doctor of Ministry.

### **PATH B – Graduate programs for those who have completed a three year undergraduate award**

Path B provides programs in theology and related disciplines for students who have already gained a three-year undergraduate degree in another field. Students may complete a variety of awards from Graduate Certificates up to the Master of Divinity, with various entry and exit points. Specialised awards are available in particular disciplines through the Master of Arts, which can also be taken as exit points from the Master of Divinity. The Graduate Certificate in Arts, the Graduate Diploma of Arts and the Master of Arts are “nested” in order to provide students with the opportunity to undertake theological subjects at graduate level with an option as to entry and exit points.

On completion of appropriate graduate studies a student may move on to either the research interdisciplinary awards, Master of Arts (Honours), Doctor of Philosophy, or in the case of the Master of Divinity on to the purely theological awards Master of Theology (Honours), Doctor of Theology and Doctor of Ministry.

**Graduate Certificate in Arts:** A 0.5 year full-time, 1.5 year part-time program of studies in which core units in theology and biblical studies, amounting to at least one-half of the program, introduce students to the central issues and methodologies of theology and biblical studies. This award is available in distance education mode.

**Graduate Diploma of** A 1 year full-time, 3 year part-time program of studies

**Arts:** taken from a designated list of both core and elective units. This award is available in distance education mode.

**Master of Arts:** A 1.5 year full-time, 4.5 year part-time program of studies taken from a designated list of both core and elective units. This award is available in distance education mode.

**Master of Divinity:** A 3 year full-time, 9 year part-time graduate entry program for students undertaking initial theological studies. It is a comprehensive degree leading to graduate research study in theology at the highest level. This award is available in distance education mode.

The Master of Arts articulates into the Master of Arts (Honours) and the Doctor of Philosophy. The Master of Divinity articulates into the Master of Theology (Honours), Doctor of Theology, Doctor of Philosophy, and Doctor of Ministry.

## MEMORIAL GRANTS AND MEDALS

### DIANNE FEENEY MEMORIAL

A grant and medal has been established by the Council of the Sydney College of Divinity. It is to be awarded each year to the candidate of the college who has gained the highest level of achievement in the Bachelor of Theology and who is proceeding to further theological study as a graduate student in the college.

The grant and medal is a memorial to honour the life and work of Dianne Feeney, who was a member of the teaching faculty in the Churches of Christ in NSW Theological College as an anthropologist and missiologist. She played a constructive part in the development of the Sydney College of Divinity until her tragic death in New Guinea on 28 November, 1985. The award will be paid from a fund which was set up in 1987 with donations from some of her colleagues and from Member Institutions of the Sydney College of Divinity.

### BETH BLACKALL MEMORIAL

Council in April 1997 established a fund from which a grant and medal would be awarded to the student presenting a thesis of excellence which was also the best at graduate level that year.

The Prize marks the contribution to the Sydney College of Divinity made by Dr Bettina (Beth) Blackall who died on 7 June, 1996. Dr Blackall's understanding of the processes of higher education was invaluable when advising on the development of an appropriate infrastructure for the Sydney College of Divinity. Her involvement with all of our Member Institutions and her sensitivity to their histories, their traditions and their confessional stances, reflected her ecumenical approach to theological education.

The award is a mark of excellence, and is not always granted in a given year.

**BRIAN MURRAY MEMORIAL**

Through a generous donation received from the Marist Fathers a fund was established from which a grant and a medal would be awarded annually to the student with the highest level of achievement in the discipline of Theology who is graduating BTh.

The Prize marks the contribution of the Rev. Dr Brian Murray SM to theological education generally and to the Sydney College of Divinity in particular. Dr Murray was principal and lecturer at the Catholic Theological Union from 1975 until the end of 1982. During that time he played a significant role in the establishment of the Sydney College of Divinity (being a member of the initial working party) and was involved in the early submissions to the Higher Education Board. He later served as Superior to the Marist Fathers' General House in Rome, as Vicar Provincial for the Australian Province, and in parish ministry in Brisbane until his death on 8 September, 1994.

Students should contact the Member Institute where they are enrolled to see whether they are eligible for Austudy, FEE-HELP and other Government schemes that may be of benefit.

#### **AUSTUDY**

Under the Commonwealth Government guidelines, Austudy is available for full-time theological students who are working towards accredited awards. "Full-time" is defined by the Government to involve at least  $\frac{3}{4}$  of a maximum load. Enquiries about eligibility for Austudy and making application should be directed to the closest Centrelink Office. Please note that:

1. It is the student's responsibility to keep Centrelink informed of any programme changes or changes of address during each year (if the loading falls below full-time, then Centrelink may require repayment of Austudy received).
2. The Member Institute administration is required to complete regular reports for Centrelink on student progress and full-time/part-time status.
3. Centrelink requires a full-time load for each trimester, i.e., at least 18 credit points. Personal Formation 1 & 2 and Personal Formation 3 are divided across the number of trimesters appropriate for each of these subjects - they do not count as one full subject in a trimester for Centrelink calculations.

#### **FEE-HELP**

FEE-HELP is a Government financial loan scheme for students attending private colleges. All enrolled students who are Australian citizens (or on Humanitarian Visas) have access to government loans for both undergraduate and post-graduate study. The loan amount available is up to \$83,313 (2009, indexed 1<sup>st</sup> Jan) and can be used over the lifetime of the student at all levels of higher education accredited training. The loan can be used for a single subject or a number of subjects, or for a complete award or a number of awards - it is the student's choice. The repayment of the loan commences once a student's taxable income exceeds \$41,595 (2009).

To access FEE-HELP, a students need to complete a Request for FEE-HELP Assistance form and submit it to his or her Member Institution before the trimester begins. The Member Institute then submits the required information on each student seeking FEE-HELP to enable the Government to issue a Commonwealth Higher Education Student Support Number (CHESSN) to each student. This number will stay with the student for the rest of his/her life.
