

NEW MEMBER INSTITUTION ADMISSION REGULATIONS

Application Process

- (1) The Applicant Institution shall make informal inquiries to the College through the Dean, who will:
 - (a) inform the Applicant Institution of the procedures and documentation required in a formal application;
 - (b) if it seems useful, request a member of a Member Institution to offer specific advice on course structure.
- (2) The Dean will be the person with whom the Applicant Institution communicates at all stages of the process.
- (3) When formal application is made the Dean will:
 - (a) notify the College Council;
 - (b) pass all documentation to the chairperson of the Institutional Membership Committee which will manage the application.
- (4) The Institutional Membership Committee will:
 - (a) supply the Applicant Institution with a document containing all the guidelines and explaining the procedures required during the application process;
 - (b) at the appropriate time form an opinion about the capacity of the Applicant Institution to function as a member of the College by;
 - (i) assessing the resources of the Applicant Institution;
 - (ii) visiting the Applicant Institution and inspecting the plant;
 - (iii) meeting with the principal and key or all academic staff;
 - (iv) viewing any further documentation requested by the Committee to be available;
 - (v) considering the report of the Libraries Committee;
 - (vi) meeting to consider the application and review the documentation;
 - (c) prepare a recommendation on the application.
- (5) The College Council or Standing Committee of Council will consider the recommendation and conclude whether the application should be allowed to proceed.
- (6) If the decision of Council or Standing Committee of Council is to allow the application to proceed;
 - (a) the Institutional Membership Committee will arrange for the Applicant Institution to participate in a workshop on:
 - (i) writing Outcomes in the style of the College;
 - (ii) other aspects of course documentation;
 - (b) the Applicant Institution will then proceed to prepare a full submission including fully developed course outlines for consideration by the Academic Standards Working Party;

- (c) the Academic Standards Working Party made up of three (3) members of the Academic Standards Committee will:
 - (i) assess the course structure and subject units of the Applicant Institution;
 - (ii) report directly to the Institutional Membership Committee;
 - (d) the Libraries representative will:
 - (i) visit the Applicant Institution and meet with its librarian;
 - (ii) report to the Institutional Membership Committee on the collection, budget, management of the library and collections, the scope of student services provided and the professional development needs of library staff;
 - (e) the Institutional Membership Committee shall then report to Council, which report shall contain:
 - (i) its own findings and a recommendation and conditions, if necessary, based on all three reports;
 - (ii) as attachments the full reports of both the Academic Standards Working Party and the Libraries Committee representative;
 - (f) the College Council shall make its decision on the basis of the full report;
 - (g) the Dean shall communicate the decision of the Council and any further matters to the Applicant Institution;
 - (h) the Dean shall be an observer without voting rights to the first and final meeting of the Institutional Membership Committee in the application for membership process of any institution.
- (7) If the decision of Council or Standing Committee of Council is not to allow the application to proceed;
- (a) the report of the Institutional Membership Committee will identify the areas in which the application was found wanting;
 - (b) the Institutional Membership Committee may offer advice to the Applicant Institution;
 - (c) the Applicant Institution is not precluded from re-applying at a later date.

Academic Standards Working Party

- (1) The members of the Academic Standards Working Party shall each receive a copy of the Appellant Institution's submission with Consultants' Reports.
- (2) The Working Party shall discuss the submission and make recommendations on the extent to which the documentation accords with College requirements with regard to course structure, individual units and staffing.
- (3) The chairperson of the Working Party shall make a report to the Institutional Membership Committee.
- (4) The Working Party may be called upon to reconvene by the Institutional Membership Committee to examine the Appellant Institute's response to any recommendations and report back.

Post-admission Process

- (1) The successful Applicant Institution may be admitted to the College as either a Member Institution, an Associate Member Institution or a Provisional Member Institution.
- (2) Where necessary a mentor may be appointed by the Council for the new Member Institution.
- (3) The mentor shall be responsible to and take guidance from the Institutional Membership Committee.
- (4) The role of the mentor shall be to:
 - (a) sit on the Academic Board of the new Member Institution;
 - (b) participate in the process of staff recruitment;
 - (c) sit on the course development committee or its equivalent;
 - (d) report to the Institutional Membership Committee every six months for the duration of the period set for mentoring by the Council.
- (5) For Provisional Members the Institutional Membership Committee shall:
 - (a) commission and receive reports on progress towards meeting conditions;
 - (b) commission and receive mentor's reports each semester;
 - (c) receive copies of routine moderation reports in subject areas carried out by the Academic Standards Committee;
 - (d) receive a copy of the report of the external institutional moderation to be carried out during the period of Provisional Membership;
 - (e) refer matters to other College committees as appropriate;
 - (f) conduct a full review including library evaluation of each Provisional Member in the final year of Provisional Membership.
